Little Cakes
Montessori
School

Hi,

I'm Alpa, Founder, Teacher (and Mother) of Little Cakes Montessori School, which was born from my genuine passion for working with children and my frustration of not being able to find a school for my daughter (Milly) that ticked all of my boxes.

Is she going to be safe? Will she ever stop crying and enjoy it? Will she get to enjoy the outdoors? Will she receive individual attention and actually learn something?

With Little Cakes Montessori I have managed to open a school that I know would make Milly very happy... in fact, I can proudly say that each and every one of my children at Little Cakes Montessori is more than happy.

My team and I work tirelessly to ensure that being at Little Cakes Montessori is more than just basic childcare, it's a family, a home away from home! Where teaching, nurturing and preparing your children for their next stage in life is at the core of everything we do.

Call me, email me or better... come to see me, even if you just want some advice!
